

Free 8-Week Course

Web Marketing for Small Businesses

2018 Spring Course - for business owners with average computer and internet skills.

Reach your customers ONLINE! GROW your customer base.
Customers are looking for products/services online - WILL THEY FIND YOURS?

My Business

Oh, snap!
I don't have to go to the mall... I can get it right around the block.

Wow! I just FOUND this store on the web - and they're right near my home! And they have what I'm looking for!

I didn't realize they sold those!! And they're so close to my house!

Sponsored by:

Tuesdays, 6-8pm, April 3-May 29, 2018 in Uphams Corner
